

# March is FoodShare Month

*Please consider helping our neighbors by making a cash donation to the Lake City Food Shelf through the Rotary Food Shelf Drive.*

**The Rotary Club of Lake City is asking for your support of the Lake City Food Shelf during the month of March, in conjunction with Minnesota FoodShare's Campaign.**

Every dollar you donate will be multiplied by FIVE as the Lake City Food Shelf purchases their food from the Channel One Food Bank at bulk rates. **Just think - \$25 becomes \$125 or \$50 becomes \$250.**

Last year during the March Drive, 19,088 pounds & dollars were raised – thank you for making that happen.  
**The goal for 2010 is 21,000 pounds and dollars!**

**If you can support the cash food drive, please send a check for the Lake City Food Shelf to:**

Lake City, MN 55041

**Did you know....**

The food shelf served 4,510 people in 2009 and gave out 107,320 pounds of food!

Only a third of the food needed comes in as food donations. The food shelf purchases the rest with monetary donations.
